Since its establishment in 2015, TK TRAVEL has done its best for tourists from Southeast Asian countries, Hong Kong, Taiwan, and China. Develop and produce more than 1,000 domestic travel products, and cooperate with various domestic local governments and Korea Tourism Organization to continue to promote and sell.

Since its establishment in 2015, foreign tourists visiting South Korea have increased at a rate of 200% every year. Based on this data, Developed a B2B system that allows overseas local travel agencies and agencies to quickly and conveniently reserve Korean travel products. In addition, we also have entertainment group itineraries such as visits to various TV stations and KPOP concerts.

As a travel agency dedicated to Korea Tourism Organization and local governments, we continue to work hard to develop a variety of products and jointly promote Korean tourism services.

Our Advantages & Strategy

We will be your best partner in Korea!

1. Every main staff has tour guide experience, understanding the Tour progress and customer needs better than anyone. Because of this, we are better able to provide corresponding travel services.
2. Through TK Travel's official website blog and SNS promotion, as well as sales on various OTA customer platforms, it has a high product promotion influence.
3. In order to prevent the covid-19, provide safe products such as day tours and private tours, vehicle rentals, hotel accommodation products, and tickets that fully comply with the epidemic prevention rules.
4. Get rid of the travel products that have been stuffed into forced shopping itineraries in the past, we continue to develop and provide more localized new products that can only be experienced in Korea.

THANK YOU

*Traveling makes you feel happy,
We are the people who make you happy!*
